Parent Bulletin #08-2

July 1, 2008

Dear Parents,

What a wonderful week we had with your kids. They were great! It was an honor to share this week with them. Thank you for raising them with solid values and helping them to desire the greater spiritual blessings of serving the Lord and others. We hope we helped them to be a little better and will look forward to having them at Camp again.

The dates for the 2009 Camp will be June 7-13, 2009. We anticipate a rate increase from our campsite owner so be prepared to pay a little more. We always try very hard to keep the price as low as possible and compared to all the other kinds of summer camps, we believe that we are still offering you a bargain. Of course, this is only possible because of the small multitude of dedicated volunteers who freely give of their time, talent and treasure. Also, please remember that April 1, 2009 will again be the deadline date to get your application in so that you have an equal opportunity to be accepted to the Camp. Some who forgot this year never were able to get in.

This year the Camp Grant Fund awarded \$5,125 to help 30 kids come to Camp. All of the kids/parents paid something and the Grant Fund made up the difference. We are now raising the money to replenish the Fund so that it is ready for 2009. So far, through the generosity of a few, we have raised \$4,430. That leaves us \$695 still to be raised. If you are able and would like to help, you can make a tax deductible donation. It would be greatly appreciated. You know from your own kids how much it would mean to help some one else to come to Camp.

Also if you would like to help us fund the Florida College Scholarships and/or the Falcon Days trips, we would welcome your support. This year we awarded \$3000 of scholarships and \$1000 of Falcon Days monies to 5 of our campers. Most of the net proceeds from the Camp go to these 2 funds. For us it is a labor of love to help our kids get a good education in an environment that will support and aid their spiritual development.

For any of these funds, here are the details.

We consider you a valuable partner in the on going success of the Camp. To that end, if there is something you think I need to know or a suggestion you have for a better Camp, I want to hear it. You can use the reply button to send me a note.

One of the advantages of the Camp is the opportunity for networking among the campers. Our web site www.FCDryCreek.com tries to aid this process by listing other activities and opportunities for our kids to be together. You can access that information by clicking on the Calendar. I will look forward to seeing you at some of these functions. Be sure to say hi. It would be a pleasure to meet you.

May our Lord bless you and your children as you lead them to love Him and others!

In His service,

John
